We do not advocate the purchase or sale of any individual security. The risk of trading stocks, options, and other financial instruments can be substantial, and you must consider whether any such trade is suitable for you. Past performance is not necessarily indicative of future results. Persons acting on any information contained in the Software and/or Documentation are responsible for their own actions. Before placing any trade with your broker, be sure to read all of the risk information and disclosures made available by your broker, including, if your broker is Tradier Brokerage, the risk information and disclosures found at https://brokerage.tradier.com.

a.   Term – The term of this Agreement starts on the date you first use the Software, Services, or Documentation, the date you purchase a license key, or the date a beta license key is assigned to you, whichever is earlier, and shall continue so long as a license key remains valid for such Software or Documentation. Thereafter, this Agreement will automatically renew for additional periods so long as you hold at least one valid and active license key that you have purchased or that was assigned to you for such Software or Documentation. In the event you have an active, valid license agreement with SignalPop to use any Services, Software, or Documentation and you use a license key that is not a beta license key and that you have not purchased (i.e., a license key obtained from a third party), this Agreement will immediately terminate.

b.   Effect of Termination – Upon the expiration or termination of this Agreement:

iv.   Customer will immediately cease using the Software and Documentation.

c.   Survival – Sections I (Definitions), III.c (License Restrictions), III.e (Ownership), IV (Term and Termination), and V (Warranties, Disclaimer, and Indemnification) will survive the expiration or termination of this Agreement.

WITHOUT LIMITING THE FOREGOING, SIGNALPOP PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATIONS OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, THAT SUCH SERVICES, SOFTWARE, OR DOCUMENTATION WILL MEET YOUR REQUIREMENTS, ACHIEVE ANY INTENDED RESULTS, BE COMPATIBLE OR WORK WITH ANY OTHER SOFTWARE, APPLICATIONS, SYSTEMS OR SERVICES, OPERATE WITHOUT INTERRUPTION, MEET ANY PERFORMANCE OR RELIABILITY STANDARDS, OR BE ERROR FREE**. You are solely responsible for determining the appropriateness of using the Services, Software, and/or Documentation, and you assume any and all risks, known and unknown, associated with your exercise of any rights granted by this Agreement.

b. Limitations of Liability – You recognize that SignalPop is not a broker-dealer and does not directly place trades, and that artificial intelligence is an imperfect science based on probabilities, sparse and imperfect data, and many other known and unknown risks which may impact the performance of the Services, Software, or Documentation. In no event and under no legal theory, whether in tort (including negligence), contract, at law, in equity, or otherwise, unless required by applicable law or agreed to in writing, shall SignalPop or any of its customers, clients, partners, affiliates, equity holders, directors, employees, agents, or representatives ("SignalPop Affiliates") be liable to you or any of your customers, clients, partners, affiliates, equity holders, directors, employees, agents, or representatives, or to any third party, for any damages, including any direct, indirect, special, incidental, exemplary, special, punitive, or consequential damages, in any amount or of any kind or character ("Damages") arising in connection with or as a result or out of:

  i. your use of this License;

  ii. the use of or inability to use any Services, Software, or Documentation (including but not limited to damages for loss of goodwill, work stoppage, computer failure, or malfunction, or any and all other commercial damages or losses, regardless of whether such damages were foreseeable and whether or not SignalPop, you or any of your customers, clients, partners, affiliates, equity holders, directors, employees, agents, or representatives, or any third party were advised of the possibility of such damages);

  iii. any trade or failure or delay in executing or exiting a trade (including any such failure or delay due to issues with your, SignalPop's, or a third party's hardware, software (including the Software), internet connection, or otherwise);

  iv. market conditions; and/or

     v.   any other trade or investment related issue.

Without limiting the foregoing, you agree that under no circumstances shall SignalPop or any SignalPop Affiliate be liable to you or anyone else if you or they lose some or all of your or their invested capital, receive a margin call, or are required to purchase equity underlying an option, and you or they are fully responsible for any exercised options that expire in the money.

c. Indemnities – You agree to save, defend, indemnify, and hold SignalPop and the SignalPop Affiliates harmless from any third-party Damages arising in connection with or as a result or out of your misuse of or failure to correctly use any Services, Software, or Documentation and/or your breach of any of the Terms of this Agreement.

d. Accepting Warranty or Additional Liability – By using the Services, Software, and/or Documentation, you may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, you may act only on your own behalf and on your sole responsibility, not on behalf of SignalPop or any other open source contributor, and only if you agree to indemnify, defend, and hold SignalPop, its Affiliates, and each open source contributor harmless for any liability incurred by, or claims asserted against, SignalPop, its Affiliates, or such contributor by reason of your accepting any such warranty or additional liability.

No amendment, modification, or waiver of any provisions of this Agreement shall be effective unless in writing and signed by both you and SignalPop.

b. Severability – If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall remain in full force and effect and such invalid or unenforceable provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed to the extent necessary to make such provision valid and enforceable.

c. Waiver – No waiver of rights by you or SignalPop may be implied from any actions or failures to enforce your or SignalPop's rights under this Agreement.

d. Force Majeure – Neither party to this Agreement shall be liable to the other for any delay or failure to perform due to causes beyond its reasonable control (excluding payment of monies due).
